Important Information Regarding the 2010 Newport Spring Boat Show

The Newport Spring Boat Show will be suspended in 2010 to focus on an exciting new business venture! Our parent company, Newport Harbor Corporation, is planning the launch of a Superyacht Show in the summer of 2011. Newport Exhibition Group, producers of the Spring Boat Show, will focus it's energies on the implementation of this new event, and of course, our other boat show;

Newport International Boat Show - September 16 - 19,
2010(newportboatshow.com)

Providence Boat Show - January 13 - 16, 2011
(providenceboatshow.com)

The format of the Newport Spring Boat Show is one that can be brought back at a future date.

We will keep you posted.

Thank You.

Nancy Piffard
Show Director
(401) 846 - 1115, ext. 212

More details to come.
